Hi J,

Scratch refunds any extra funds that were overpaid once the full payoff has been completed. They will ACH this to you to the account on record.

Let me know if you have any other questions!

Best,

You can actually combine this loan #fc7fc2c2 and #fade3835 with total eth of 1273.82. You can just do the max total. Which might be \$405k. Which is fine too. Please confirm
